

# The Mustard Seed of Central Florida

---

**The Mustard Seed is environmentally friendly. Last year we were able to recycle over 200 tons of furniture and household items.**

The Mustard Seed depends on the generosity of a variety of donors: residential, corporate, retail and hospitality industry. We rely on the support from our community for these items so we may continue to serve our clients with the necessary items to create a home. One of our biggest needs is Beds! They are very difficult to keep in stock and we have to turn individuals away who have been sleeping on the hard cold floor. It is important to establish new relationships with local hotels and distributors so that they may call upon us to pickup their unused mattresses and furniture allowing us to recycle these furniture items back into the community.

To ensure quality of service we ask that all donations be free of rips, stains, pet hair, and in good working condition. We are doing our best to cut our cost for dumping fees and provide items for our families that we are proud to give to them. We work with a very small staff and we do not have the area, the man power, or the financial means to pay for parts and repairs.

Donations are accepted at our warehouse Monday – Friday, during regular business hours. If you have furniture items you can request a donation pickup by calling 407-875-2040 ext 15 and we will be happy to schedule an appointment. Please note: We are unable to pickup on 2<sup>nd</sup> floor apartments unless there is an elevator.

If you are a hotel or business and would like to coordinate a large donation please call 407-875-2040 ext 13 so we discuss the most efficient way for you to dispose of your items.

**All of donations are tax deductible which we will provide you with a receipt acknowledging your donation. The IRS requires that you, the donor, estimate the fair market value of your donation.**
