RE: **Kitchen Supply Drive: Rebuilding the Heart of the Home**  
*GAI's Orlando Office donates to local charity*

Orlando, FL - In response to recent natural devastation in the Southern United States, and the effects of a weakened economy, the Community Involvement Committee (CIC) in GAI's Orlando office decided to launch their 2008 community initiative by coordinating a Kitchen Supply Drive benefiting the Mustard Seed of Central Florida.

From October 21 - December 12, 2008 the CIC collected new and gently used kitchen items that were donated to the Mustard Seed's warehouse for distribution to qualifying families. The Staff of the Orlando office, which included corporate officers Gary DeJidas and Rusty Sievers, along with many friends and families, donated cash and over 40 boxes of various pots, pans, dishes, cups and other miscellaneous kitchen items to the Mustard Seed.

The Mission of the Mustard Seed Furniture and Clothing Bank is to provide household goods, furniture, clothing, toys and books to those who have suffered from natural or personal disaster and who demonstrate the desire to rebuild their lives and become self-sufficient. The Mustard Seed helps an average of over 100 traumatized families a month regain their dignity and independence.

GAI is proud to be a part of the great work done through the Mustard Seed of Central Florida.
