This letter is being written on behalf Mustard Seed of Central Florida (MS). This fabulous organization has committed and devoted itself to helping and serve the poor and needy people of Central Florida.

“CEPA” has been working with Mustard Seed for years. Words cannot express the outstanding services this organization provides to the citizens of Central Florida. We consider it is more than a privilege to be apart of Mustard Seed’s mission, purpose and goals.

Mustard Seed is a blessing to the people of Central Florida, our organization and other organizations. This organization is deserving of any help and assistance it receives. When you help Mustard Seed you help thousand of people in Central Florida.

We at “CEPA” salute, support and appreciate Mustard Seed. If you have any further questions, please don’t hesitate to contact me. May our living, loving and caring God continue to bless you and yours.

Sincerely,

Bishop/Dr. O.M. VICKSON I
