Mustard Seed of Central Florida, Inc.  
12 Mustard Seed Lane  
Orlando, FL 32810

The Community Service Center would like to express our appreciation for the services provided by the Mustard Seed.

For more than thirty years, the Community Service Center has worked hard to help families and individuals who need a helping hand. The Center is able to assist qualifying families with their rent and utility payments after an unforeseen financial emergency. We also offer support programs through our *Families First!* programs. Parenting classes, eye exams and glasses for low-income children, school shoes, and anger management classes are a key part of this program. In addition, the Food Pantry and our Clothes Closet provide other services to help the family remain stable during a crisis.

While the Center provides many services for families in need, we do not have furniture or large household items that many families need. The Mustard Seed has been a wonderful resource to provide these additional items for our clients to help them get through difficult times.

Sincerely,

Lee A. Pates  
Executive Director
