To Whom It May Concern:

“There are only two positions you can take. Either you believe that nothing in life is a miracle, or you believe that everything in life is a miracle.” – Albert Einstein

We are truly blessed to have people like you to support such a worthy cause. We would like to personally thank you for the wonderful donation of 11 couches, 7 night stands, and the 5 buffet tables. It if were not for caring and concerned people like you, we would never be able to continue our mission of helping homeless women in their recovery from alcoholism and substance addiction, along with other emotional and abuse issues. We want you to know you are very important to us, and your generosity is sincerely appreciated.

At the Lisa Merlin House there are many youth and young women who are no longer living on the streets and who are living lives in recovery from alcoholism and drug addiction. They are being reunited with their children, who also have a chance for a life free from drugs and abuse. They have become responsible member of this community, holding jobs and improving neighborhoods. My hope is that you take pride in being a part of an organization that chooses to help this population of homeless women, which so many are willing to forget.

On behalf of my associates, the Board of Directors, Committee Members and residents of The Lisa Merlin House, thank you for your compassion and support. May God bless you for your kindness towards those in need.

Sincerely,

Lisa Merlin
