Dear Mustard Seed,

This note is to thank you for all you do. You have helped greatly in the lives of so many with OCC (Orlando Children's Church). We started with 9 children over 2 years ago and now run over 200 every Saturday. Many of the families we help are very poor and some live in shelters. Often were able to help transition them in an apartment etc. and we have had you help them with furniture and beds.

What a blessing you are! The items you provide are always in good shape and we get a lot of smiles from the families you help. Thank you for your ministry and the impact you make in the lives of so many!

Sincerely,

Peter O'Driscoll      Director and Pastor
