12 Mustard Seed Road
Orlando, Florida 32810

Ms. Whitley:

The purpose of this letter is to provide a heartfelt thanks to the Mustard Seed for providing a laptop computer for one of our students. As the Homeless Education Liaison for the county, I assist in identifying and enrolling unaccompanied youth. These are children living on their own in the county without a parent or legal guardian. One such student came to my attention through the school social worker, Ms. Consuelo Ponce, and a need for a computer was identified.

Ms. Sharon Whitley of the Mustard Seed, located and donated a Dell laptop to one of our students. The child attends Osceola School for the Arts and is a gifted student. She is currently living in her own efficiency apartment and will ride her bicycle to the county library to complete school assignments. Laura maintains a 3.5 grade point average, works on the weekends, and is scheduled to graduate this upcoming May.

This wonderful donation will ease her burden and propel her into her academic future. Thank you, Mustard Seed, for your kind donation.
