Dear Ms. Kane;

On behalf of the tornado victims in the Lake Mack area of Lake County, I wish to send my sincere thanks and blessings. Today St Vincent de Paul brought our fourth and fifth victim to refurbish their homes. They were absolutely thrilled with the furniture, dishes and accessories that Mustard Seed provided. They were moved to tears as was I. It is so wonderful to see these people take this step toward a normal life.

I will be sending pictures as soon as possible so that everyone can see how lovely their homes look. Some day when you and your wonderful helpers have time, I would love to arrange a chance for you to visit some of these people and see their homes. Please call me any time to make these arrangements (352-357-0230).

May God bless all of you at The Mustard Seed.

Sincerely,

William Orth
