

Hi!

03-19-01

I want to thank your agency for allowing me to get clothes each month.

I live on \$497.00 a month. There isn't much to look for after I pay my rent and elect.

Your kindness has given me back my self-esteem. This alone can help me get my health back and maybe go to work again someday.

Depression is an awful thing to deal with. Your agency has given me hope and put happiness in my life again.

Thank you & Bless you -
Susan
