Attn: Angel Harwick

This letter is in response to your letter dated February 17, 2005. The Church of God By Faith in Winter Park, certainly has relied on the Mustard Seed many times.

I believe that The Mustard has been very beneficial to some of my members. We have helped our members as much as we can; but on various occasions wherein we could not help, we felt it necessary to send them to Mustard further assistance in their area of need. And as far as I know, they were helped, and we are very thankful.

We want to encourage you to continue in the good work that you are doing for the community. Your area of ministry is needed and appreciated.

Respectfully,

*Herbert Green Jr.*
